

Hi-Impact Crochets autocollants ultra*

*Breveté

Nos crochets en format feuille sont maintenant disponibles sans retaille de perforation causée par le trou! Ils sont donc encore plus rapides et simples à manipuler en magasin!

Adhésifs :

- Haute performance standard
- Résistants au silicone
- Basse température (pour environnement réfrigéré)
 - Sur mesure

Matériaux :

- PVC
 - PET
 - PETG
 - RPET
 - PLA
- (biodégradable à base de maïs)

Revêtements vierges ou recyclés

Embossage personnalisé disponible!
